CERTIFICATES

All participants will be issued an EASO certificate of attendance at the end of the workshop.

OFFICIAL LANGUAGE

The workshop will be entirely in English.

BADGE

The badge is the only official evidence of registration and should be worn at all times during the workshop. Loss of badge means loss of registration.

INSURANCE

The organisers bear no responsibility for untoward events in connection with, before, during and after the workshop. Participants are strongly advised to take out their own personal and travel insurance coverage.

This workshop has been organised in collaboration with the **Cairo National Cancer Institute, Cairo University**.

This event is organised within the framework of the EU-Egypt Year of Science and Innovation

The overall objective of the **EU-Egypt Year of Science and Innovation** is to give substance to the EU-Egypt science diplomacy and more specifically:

- to enhance cooperation in science and innovation;
- to promote Egypt's research potential in Europe;
- to create a platform for regional cooperation;
- to work towards the launching of concrete initiatives that support science and innovation in Egypt and the Mediterranean region
