Hadeer Elmahalay

Nelly Hassan

Ariga Amer

attended training courses for 6  
months at American University in Cairo.

**Training  
Programs & Workshops  
for nurses  
at NCI**

# Gehan Salah – Infection Control Officer

- Reporting infections
- Training nurses & health care workers at their wards according to specific guidelines for NCI

The background is a dark blue gradient that transitions to a lighter blue at the bottom right. A thin, light blue curved line starts from the left side and curves downwards towards the center. A semi-transparent, light blue spotlight effect is centered on the word 'Vaccination', making it stand out against the darker background.

# *Vaccination*

*Incinerator*
